Description

Baja set the pace for those looking to get into the high-performance boating lifestyle, with solid performance at an affordable price.

The cockpit has all of the features that you expect in a high performance boat, with drop-down bolster seating, and a well appointed helm station.

The 30 SST features a full function cabin, head, fridge and microwave for when you are staying aboard the boat at the marina.

Baja has a strong following and loyal customer base that makes the boats desirable and a good value in the used market.

The overall condition of the boat is outstanding, with a minor cosmetic blemish in the starboard aft graphic. The swim platform is a powder-coated aluminum component, and it is in need of re-powder-coating to bring the exterior up to top shape.

The engines also feature a captain's call switchable exhaust system by Corsa.

The boat is indoor rack stored.

Bring offers on this nice looking offshore powerboat!

Manufacturer Provided Description

Like to play outside the box? The 30 Outlaw knows no boundaries. The sculpted design of the deck and windscreen helps slice easily through the air, cutting out any drag in pursuit of the ultimate adrenaline rush. Backed by roaring MerCruiser power, you can take your good times to the next level. With a True-V hull that's been reinforced with carbon fiber, you can rest assured that the 30 Outlaw can endure the toughest conditions. Take your friends along for the ride with a spacious layout that holds eight and a cabin with enclosed head that can bunk three. Go ahead, chase that horizon - with the 30 Outlaw, you're bound to catch it.
