## Description

This Monterey 378 SE is an outstanding example of the quality and workmanship that is a trademark of Monterey boats.

The layout is spacious, with an open floor plan aft of the helm station that allows for multiple table placement locations, adjustable seating configurations, and a full outside galley area. And, with the push of a button, the adjustable sunshade extends to keep you out of the sun while lounging over a tropical drink with friends.

On the port side of the cockpit is a large outside fridge, and lots of storage around the console.

At the starboard side of the helm is the business end of the boat from the captain's perspective, with joystick, skyhook, plotters, auto pilot, and all with DTS fly-by-wire controls from Mercury.

Where the Monterey 378 SE stands apart from many of its comparable sized counterparts is that the cabin is split on 2 sides of the boat, with a full stand-alone head in the port cabin, and a full cabin on the starboard featuring a roomy birth and comfortable seating with great viewing of a full size flat-screen TV.

Up front the boat has even more seating, giving this express cruiser lots of capacity for family and friends.

The 378 SE cruises at 35 MPH with a top speed of 50 MPH.

The current owner just had SeaDek flooring installed. Additional photos of the flooring are attached as well.

The boat is located at Haulover Marine Center, and we look forward to the opportunity to offer a personal showing of this low hour, super clean yacht.
