## Description

2017 Formula 350 FX Crossover Bowrider Super Clean Formula with low hours on 6.2L MerCruiser engine... Just over 100 hours! This boat shows like new, with all of the quality Formula is known for. And this boat has been well maintained, by certified MerCruiser techs. Bravo III drivers with stainless duo-props propel the boat with great ease and efficiency. With it's open bow configuration, this "cross-over" boat is an outstanding family boat, whether you're cruising the bay, heading to the sandbar, or running the islands for a day of recreation, and the MerCruiser power is closed cooled, so salt water does not impact the engine. The boat includes a hard top, forward light bar, windlass anchor system, extended swim platform, and forward spotlight. The boat is available for showing at Haulover Marine Center.
