Description

MORE PHOTOS ON THE WAY

Chaparral is a brand known for quality, whether in the small run-abouts, or through their cruiser line, Chaparral is one of the best.

The 256 SSI brings the family runabout to a new level when fitted with the MerCruiser 496HO package, boosting 425 HP to the Bravo drive. Top speeds of 50+ with outstanding acceleration making the boat outstanding as a tow boat for the family.

The open bow configuration provides plenty of seating, and the platform over the drives offers safe boarding over the propeller.

Outside Equipment/Extras

- Swimming Ladder

Manufacturer Provided Description

We don't have a crystal ball, but we wouldn't be surprised if the brand new and simply perfect 256 SSi becomes Chaparral's ninth Boat of the Year winner. It's that special. We borrowed the fore and aft boarding ladders from our Sunesta deckboats. The helm and cockpit entertainment center are reminiscent of a Signature cruiser. Never before seen extras include an enclosed fiberglass hideaway head that's part of the portside dash console and a transom design that includes a walk-thru center section, a full-width sun lounge and not one but two hinged storage trunks. Behind the wheel you'll enjoy a big boat feel with the acceleration and handling of a sportboat.
