Description

CLASSIC 35 CAFE RACER

This is truly a classic, but completely refurbished with a contemporary flair.

This 1986 Cigarette Café Racer has been COMPLETELY built from the ground up, and has not seen salt water since.

The crisp graphics boast the appeal of the current manufacturer's styling, but the new interior carries the classic looks and lines of the original design.

All new rigging components, including controls, instrumentation, and upholstery elements adorn this 35 Café Racer, giving it the look of a boat that just came off the showroom floor – or has been locked in a time capsule since 1986.

The powertrain features fresh 572 CID BBC engines, making 775 HP, running through Borg-Warner transmissions and Mercury 3A drives, that are also fresh. The exhaust flows through external mufflers for “polite” dock manners, and external hydraulic steering and Mercury 380 K-Planes keep the boat under control.

The boat has a mere 11 hours on it since the powertrain refresh, and can essentially be considered a freshwater boat at this point.

The boat sits on a brand new aluminum trailer!

This is a must see if you're looking for a genuine classic with all of the refinements you want to have both the wow factor of an offshore legend, with the reliability of a late model.

Information & Features

Dimensions

LOA:	35 ft
Beam:	8 ft
Min Draft:	1 ft 6 in

Weights

Dry Weight:	9,000 lb
