Description

MORE PHOTOS AND VIDEO ON THE WAY!

100% FRESHWATER boat, with professionally build MerCruiser 496HO engines, built to make reliable torque, and deliver sea-level performance on one of the country's highest altitude lakes - Lake Tahoe.

The Fountain 38EC is a great high performance express cruiser, with a full cabin, and all the amenities of a cruiser, with the performance Fountain is known for. the boat is well maintained, and there is a survey available as part of your due diligence.

Well maintained, and turn key running very little boost to deliver proper performance due to the engine build making the torque without the need for boost.

The boat runs on regular fuel, and is ready to deliver the Fountain experience in an express cruiser wherever you boat!
