Description

CAN BE READY FOR THE 2026 WORLD CHAMPIONSHIPS!

Are you ready to take on the challenge to compete in one of the toughest classes in Offshore? The Mod-V class fields one of the largest and most competitive fleets in the sport. It takes grit AND the RIGHT equipment to get to the podium.

This is a VERY competitive canopy race boat, suitable for Mod-V or production class racing depending upon the engine/drive package.

The boat is ready for an engine and drive or can be rigged ready to race. The price presented is less engine and drive, but does include rigging elements, including onboard O2 system.

This boat has multiple podium finishes and has been set up for APBA, OPA, IHRA, or RWO racing series competition by one of the long-standing race teams in the sport today.

Call for information, or to schedule a time to see the boat in person.
