## Description

### PRICE REDUCED!

This is a truly immaculate 38 Lighting, that is blinding fast!

The paint job glistens with pearl, and is outstanding.

The interior has been redone as well. This boat shows as close to showroom new as you can get.

The engines had the top ends and headers done 80 hours ago, and the current owner just did the fuel rails and services.

As is the case with all Fountains featuring the 700 Mercury Racing package, the transom sports a pair of NXT transoms assemblies with #6 Speedmaster drives, with Mercury 380 tabs.

Drives and transmissions also only have a few hours, and there is even a fresh spare NXT transmission.

6-blade stainless propellers on the #6 Speedmasters with a 1.5:1 ratio move this boat upwards of 120 miles per hour.

A 2013 Manning aluminum tri-axle trailer sits under the boat with new axles, including bearings and brakes.

You will be hard pressed to find a nicer 38 Lighting, and the factory did not build that many with the 700 Package.
