Description

Fresh Detailing

The Monterey 264FS is a stylish family runabout, with an open bow configuration and ample cockpit seating for the whole family.

Very low hours on the MerCruiser 5.0L Mag, and indoor rack storage make this boat an ideal candidate for the first-time family boater and experienced captain alike, that are looking for a boat with minimal maintenance and a lot of boating before the next major service interval.

The boat is available to see at the Haulover Marine Center in Miami by appointment.
